

■ Carrier Security Fee (CSF)

January 15, 2010

Dear Customer,

Hapag-Lloyd has reviewed its costs for security measurements. To be able to partially recover the rising costs we will apply an increased Carrier Security Fee for all trades with effect from **March 1, 2010** as follows:

- **USD 10 per container – in trades with USD ocean freights**
- **EUR 8 per container – in trades with EUR ocean freights**

Security fees at terminals will remain to be handled separately.

For any further information please contact your local Hapag-Lloyd sales office.

Kind regards,

Hapag-Lloyd AG
